

# Match Correct Color

A matching exercise consisting of two rows of colored pencils and black dots. The top row contains eight pencils of different colors: yellow, light blue, dark blue, pink, teal, purple, red, and yellow. Below each pencil is a black dot. The bottom row contains eight black dots above colored rectangular blocks: yellow, purple, pink, orange, red, light blue, dark blue, and teal. A thick red line connects the black dot under the yellow pencil in the top row to the black dot above the yellow rectangular block in the bottom row.
