

Match Correct Color

The image shows a matching exercise. The top row contains eight colored pencils: green, brown, light green, dark brown, yellow, lime green, grey, and black. Below each pencil is a black dot. The bottom row contains eight color swatches: brown, light green, dark green, yellow, brown, grey, black, and lime green. Below each swatch is a black dot. A thick black line connects the black dot under the brown pencil in the top row to the black dot under the brown color swatch in the bottom row.
